

## Burial options

For those who prefer burial over cremation for their pets, Coleman Pet Services provides **Pet Rest Gardens** in Oxford.

As opposed to burying a pet on your own property, this private pet cemetery provides perpetual care for your pet's final resting place.

Pet Rest Gardens is located off Highway 7 North, adjacent to Garden of Memories. Burial plots are 2 feet by 3 feet. Markers are 4-by-8-inch engraved granite, showing the pet's name and date of death.

Burial plot: \$500  
Plot opening and closing: \$300  
Grave marker: \$100
