“ Rita and I went to elementary school together and I recall her quiet demeanor, contagious smile and her kindhearted spirit...The older I get, the more I reminisce about friends of mine with whom I have lost touch...and it saddens me greatly to learn of their passing...in a selfish way because I allowed myself to lose contact....my prayers are that our Lord will continue to bless your family in the days ahead, just as Rita blessed not only my life but all those around her... I loved her immensely.

“ I met Rita in the mid 1990's and grew to know her more in the past six year working for David at Vertex. We had many conversations on the phone. She made me laugh all the time. She is such a loving and caring Lady:) ...I will miss her voice! I love this family. My heart goes out to David, the girls and grandsons.

“ I worked with Rita a long time and we became co-workers and friend. I will miss her smiles and loving person she was. She loved her family tremendously and cherished each time she got to see her grand babies. Rita you will never be forgotten.

“ I only knew Rita for 3 years since I started working with her at Hanissian Healthcare but she always had a smile on her face and a story or catch phrase to say to leave someone else smiling. She talked a lot about her family that she loved so much especially her grandbabies. She will be missed by many and I will continue my prayers for her family to have much needed strength and peace!
