“ I love this gorgeous smile that always lit up a room and the laughter he experienced during this happy day in California he shared with his sister, Jodi Tanaka, while he modeled for a local leather company there. I will carry this smile in my heart forever and do my very best to share his fun sense of humor and life with all that I encounter!

“ Tim was such a sweet guy! I graduated from high school with him but I remember him from elementary school. He was also a good soul, very happy and kind. I'm sad he's not with us now but he left a lasting love and kindness that I will always remember! I know his family is devastated but Tim made it too a better place and we will see him again, I can't think of any greater gift...it's not over our goal is to get there with him. My prayers go up to his friends and family! I know words can't really help the pain of your loss right now but I'm asking God to give you peace!

“ My sincerest condolences. Tim and I went to school together literally all our lives. He was always one of the nicest most sincere people ever. He always had the best personality and love to joke, had a beautiful smile!! Again, I'm so sorry for your loss. I'm sorry I won't be able to come in from Florida for his service.
Sincerely,
Sandra Voyles Campbell
